Weak Hearts

Are due to indigestion. Ninety-nine
of every one hundred people who have
heart trouble can remember when it
was simple indigestion. It is a scien-
tific fact that all cases of heart dis-
ease, not organic, are not only trace-
able to, but are the direct result of
indigestion. All food taken into the
stomach which fails of perfect diges-
tion ferments and swells the stomach,
puffing it up against the heart. This
interferes with the action of the heart,
and in the course of time that delicate
but vital organ becomes diseased.

Kodol

Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y.,
writes: "After eating, my food would dis-
tress me by making my heart palpitate and I would
become very weak. Finally I got a bottle of
Kodol and it gave me immediate relief. After
using a few bottles I am cured."

Kodol cures indigestion, dyspepsia
and all stomach disorders, and gives
the heart a full, free and untram-
meled action.

SHIPBUILDING TRUST.

D. Le Roy Dresser, former president of the Trust Company of the Republic of New
York, who was made a bankrupt through his connection with the United States Shipbuild-
ing company, has created a good deal of a stir by his exposure of the methods adopted in
the flotation of that corporation. He declares that arrangements tending to deceive the
public were made by representatives of J. Pierpont Morgan, Charles M. Schwab and other
financial magnates.

BIG TOBACCO DEAL

A Chicago Syndicate Preparing
to Invest \$3,000,000 in Tobac-
co Lands in East Texas.

If the present expectations of Gen-
eral Passenger Agent Anderson of the
Southern Pacific Atlantic system
materialize, and he is confident they
will before the expiration of two
weeks, a Chicago syndicate, backed
by capitalists with their millions, will
be in possession of thousands of acres
of the choicest tobacco lands in East
Texas, valued at \$3,000,000.

The above is the substance of a
statement made to a representative
of the Post yesterday afternoon by
General Passenger Agent Anderson.

When Col. Anderson went to Chic-
ago about ten days ago, he was ac-
companied by L. H. Shaffer, the for-
mer tobacco expert in the employ
of the department of agriculture.
Mr. Shaffer went thoroughly equip-
ped with the best samples of Texas
tobacco products raised in the East
Texas fields. Chicago capitalists, who
are always looking for "good things,"
have not been slow to recognize that
the opportunity to get in on the
ground floor of this new Texas bon-
anza is one of the best of the good
things that have been brought to the
attention of the investing public for
many years. A syndicate was recent-
ly formed for the purpose of conduct-
ing a personal investigation of the
Texas tobacco proposition. Represen-
tatives of the company visited East
Texas and were early convinced of
the favorableness of the proposition.

Mr. Shaffer's visit to Chicago had in
view a conference with the parties
interested.

In conversation with a represen-
tative of the Post yesterday, Cononel
Anderson said: "You may give the
information to the public that a deal
has been virtually closed in Chicago
whereby a Chicago syndicate will
take possession of tobacco lands in
East Texas valued at \$3,000,000. The
major portion of the land is situated
along the Dallas extension of the
Texas and New Orleans, in the proved
tobacco territory. The owners of the
land are represented by Taylor, Webb
& Co., of Chicago, who are Southern
Pacific land and immigration agents.
The concluding details of the deal
have not been arranged, but I have
every reason to believe that the con-
tracts will be signed before many
days."

"It is the intention of the syndicate
to begin the cultivation of much of
the land immediately. While at Chic-
ago, together with Mr. Shaffer, I had
the pleasure of meeting some of the
interested parties, who are enthusias-
tic on the Texas tobacco proposition.
Mr. Shaffer exhibited some samples
of this season's yield. The parties
were satisfied and will lose no time
in taking advantage of the opportuni-
ty presented."

The Chicago Tribune of last Sunday
contains a two-column interview with
Cononel Anderson on Texas tobacco
prospects.—Houston Post.
